

Reasons for Documenting Volunteer Hours and Donations

1

It is important to annually report the level of involvement of the CFISD community to the Superintendent of Schools and the Board of Trustees.

2

The district will foster a culture of trust by providing accurate, timely, and interactive communication to all stakeholders and by encouraging parents and the community at-large to be involved in our schools.

To fulfill district goal 5(4): Continue to increase parent, community and business involvement opportunities in all schools and throughout the district.

3

Grants and award applications may ask for a reporting of volunteerism.

4

Verification of business volunteers' participation in volunteer activities is necessary in order to meet their own corporate community goals.

5

Volunteerism is one important indicator of a healthy, supportive community when assessing financial stability of the district.

6

Volunteer hours can be monetarily valued at \$24.69 per hour.
