Submitting Pictures to Yearbook

Please make sure to submit your pictures to the yearbook in a timely manner! We ask that you turn in your pictures no later than 10 days after the event.

- There are two ways you can submit:
 1. Upload via Balfour's website: images.balfour.com using your phone or computer **(RECOMMENDED)**
OR
 2. Upload the Balfour ImageShare app
- Our "Project Number" is: 427093 and leave the "Upload Code" blank
- You can only upload 10 images at a time, so it may take more than one upload if you have a lot. JPEG files preferred; HEIC files may be too large and give you an error.
- Be detailed in your names and captions –
 - Name: John Smith, Jane Doe, 2nd Grade, Ms. Jones
 - Caption: Meet the Teacher
- You can list as many names as you know in the name section. You can always ask your student to help you identify who is in the picture - they'll know names, even if it's just a first name.

If you are an iPhone user and are having problems submitting your pictures through the ImageShare app, please see the "Yearbook Help for iPhone Users" flyer below.

PTO Online Directory is Active

As part of your PTO Membership, you have access to our online directory on our website. Directory information is only available to families with a paid membership and cannot be accessed by the general public. To access the Directory, visit the PTO website and look for the icon on the main menu.

Volunteering in CFISD & at Pope

When you volunteer at any CFISD campus or Pope, you will want to make sure to sign-in at the Front Desk as a volunteer. This will print "volunteer" on your name tag and automatically log your volunteer hours for you. When you sign in as a "visitor," no volunteer hours are recorded.

- **To sign in as a "volunteer," you must have a volunteer account in the CFISD RAPTOR system.**
 - If you volunteered last year and had a volunteer name tag: You should already have an account in place. You can check your account by clicking this link to sign in to the Volunteer Portal: [CFISD Raptor Volunteer Portal](#)
 - If you are new to volunteering at Pope: You will need to create an account by following the instructions in the document below called "VIPS Registration, RAPTOR, and Reporting Your Time."
 - If you have any problems logging in or creating an account, please contact CFISD Community Engagement at the phone number listed in the attachment. *Do not call the front desk at Pope - they do not handle this issue.*

Checking your PTO Account & Order Information

Haven't updated your contact information or child's teacher? Not sure if you ordered a yearbook? Visit the PTO webpage and click on the menu button labeled "My Account & PTO Orders," which after you sign in, will bring you to all the information listed for your PTO account, including your student(s) current grade and anything you have ordered through the PTO website. Please make sure your student(s) grade and teacher are updated so that items ordered through the PTO website can be delivered promptly and accurately.

Yearbook Help for iPhone Users

Having trouble uploading your yearbook photos?

The iPhone's HEIC files often give errors when submitting to the ImageShare app. JPEG/JPG files are preferred.

How to Convert HEIC to JPG on iPhone

The iPhone's Files app is one of the quickest ways to convert an image file from HEIC to JPG. Here's how to do it.

1. In the Photos app, find the photo you wish to convert and tap Share.
2. Tap Copy Photo.
3. Open the Files app on your iPhone.
4. Tap On My iPhone.
5. Long-press on an empty area and tap Paste.
6. The photo has now been pasted and automatically converted to JPG.
7. Tap the image to share it or Save Image to save it to your Photos.

How to Permanently Convert to JPG on iPhone

If you would prefer to save all your photos automatically as JPG rather than HEIC, here's how to do so.

1. In the Settings app, tap Camera.
2. Tap Camera. Tip: You may need to scroll down to find Camera.
3. Tap Formats.
4. Tap Most Compatible to save photos automatically as JPG.
